The screenshot displays the TestFirst Test Plan Management interface. On the left is a dark sidebar with navigation options: Home, Manager Dashboard, Test Case Management, Test Plan Management (highlighted), Reports, Integrations, Customizations, Export Templates, My Profile (bugrakara), Administration, Help, and Logout. The main content area is titled 'Test Plan Management' and includes buttons for 'RUN EXPLORATORY TEST', 'CREATE TEST PLAN', and 'REFRESH'. Below these is a table of test plans. The first row is selected, and a context menu is open over it, showing options: Rerun, Copy Link, Edit, Close, and Delete. Below the test plan table is a detailed execution log table.
